

The Western Washington English Springer Spaniel Club (WWESSC) is hosting a judging seminar for Flusher hunt tests **Saturday, May 18, 2024**. Please email Kathy Farrill (kathy.farrill@gmail.com) to confirm you will be attending. You don't need to be a judge to attend. *This is an online seminar using Microsoft Teams software available online.*

ABDA members are invited.

- The AKC is charging \$25.00 per person, minimum of \$500.00, so the club (WWESSC) needs 20 people. They can take a few more, but recommend keeping it limited to avoid chaos during the meeting.
- The AKC is still working out the payment details, but it will be payable per person to an organization somewhat like PayPal.
- Microsoft Teams will be the meeting format. Kathy will send an invite for a test meeting in the next couple of weeks once the participation list is confirmed. The purpose is just to do a dry run so we can all become comfortable before the actual seminar.
