Spring is here....wait...no....it's back again. Well hopefully everyone is out and about and training. Our Novice class is currently ongoing. Before we know it, we'll be frantically working through our Family Fun Day, Chukar Challenges, and Hunt Tests. I've added a list of dates for multiple dog club events.

Flight Pen Assembly: May 10th

- **Volunteers Needed!** Please bring dewalts, saws, step ladders, hog pliers and rings would be beneficial.
- Bird wranglers, drivers, feeder/waters, etc. will be needed all season. Please reply to get on list.

Family Fun Day: June 14th

- We'll need bird wrangles that morning
- We also need someone to hold the birds that day and keep track of sales during event.
 - Up to 3 birds can be purchased during the event through Venmo; \$30/bird
- A Gun Safety Clinic will be conducted during the event, with working scenarios.
- If someone can acquire a porcupine (dead/frozen) I'd like to conduct a porcupine avoidance clinic during the event.

Chukar Challenge: June 21/22 & July 26/27

- ABDA members will have preference on slots
- Judges are in place
- Facilities rented

Hunt Tests: July 12/13, Aug 9/10, & Aug. 23/24

- Details are being worked, volunteers always needed
