- 3 – Ember, Toth

Upcoming Events:

June 27 th	Training Day and Pickup
July 11 th July 18-19	Training Day and Pickup Flusher Hunt Test
August 7 th August 8-9 August 22-23	Pointer Clinic Pointer Hunt Tests Flusher HT, in <i>Delta Jct.</i>

I want to bring everyone up to speed on our Chukar situation. We've received 4 shipments from our supplier. The first shipment went as planned, unfortunately shipment no. 2 had a substantial death toll due to heat. The club has received 992 chukars and have lost ~144 due to shipment deaths. We have our last shipment in late July, and to date should be able to cover all members requests and the hunt tests. I have several bags of frozen chukars in my freezer and are available for all members if you would like some for training. Please contact me!

With >600 chukars in the pen the club is going through a great amount of feed. Please arrange picking up some of your birds. Above are a list of events and training days that the chukars are available for pickup. Birds are available for pickup on event days plus training.

Our next GM meeting needs to have some positions voted for. The following positions are open and if you'd like to volunteer your time, please let us know!

The nominees are:

President: Randy Breaux
V. President: TBD
Secretary: TBD

President	James Ohlinger <i>Cell: 907-229-3338</i>
Vice President	Randy Breaux
Treasurer	Jessie Chmielowski
